

Jeremy Read is a UK qualified Chartered Accountant acting as Managing Director for Wentworth Family Office in London, UK. Wentworth is associated with Greg Smith, who is the main shareholder of TVL Gold LLC. Jeremy has extensive corporate finance experience across a wide range of areas – particularly in equity capital markets but also in mergers & acquisitions and general corporate advice. Prior to the move to the buy-side assignments included roles as head of Global ECM at Daiwa Securities SMBC and head of Natural Resources and Emerging Markets at Williams de Broe. He also has experience of smaller operations and start up situations, and accordingly has a very broad range of understanding and contacts in the financial markets.
